True Con

MILF Donna from Bridlington gets the white stuff after a cream dream date with a stranger...

I've been married for nine years now and until last week I never dreamed I would cheat on my hubby. But I was totally unprepared for the powerful physical attraction I felt when I met Vincent during a shopping trip.

I was pushing a loaded trolley to my car when a gust of wind blew some of the lighter items off the top and sent them flying across the car park. To cut a long story short, Vincent was just parking his motorbike and he ran to fetch them as I struggled to put the rest of my shopping into my car.

I couldn't help smiling at the helpful young stranger, and I became all giggly and flirted quite shamelessly with him. He had the most amazing body, which led me to behave more like an hormonally-driven teenager than a long time wife and mother.

It was hardly surprising then that I accidentally left a bag on the ground beside the car as I reversed out and drove home. Vincent noticed the bag once my car had left, and, picking it up, kindly followed and tried to catch up on his motorbike. He arrived at my home just behind me. Naturally, I offered to make him a coffee for his trouble and he helped me to unload the car.

When we sat beside one another at the breakfast bar chatting there were sparks flying. And then I was in his arms and we were kissing like two teens.

We went upstairs and got on the bed and I allowed him to undress me, pleased at his appreciative reaction as he unwrapped the goodies, as it were. I was just as impressed when I unleashed his large erection and ran a hand over a lovely large, tight pair of young balls. Unsnapping my bra, I allowed my DDs to spill out, smiling as I felt his cock twitch in my hand. It made me feel powerful to know how aroused I had made him without even trying and decided to further his sexual education.

I rolled onto my back, wriggled out to my panties and started fingering myself. Vincent climbed on top of me but I prevented him from mounting me, thinking that a little bit of cunnilingus would definitely increase my pleasure. Spreading my labia, I asked him to lick my pussy. He smiled broadly, holding my legs wide apart so he could take in the scenery. Then he began to lick up and down my dark pink slit, teasing my throbbing pussy with his tongue. Tingles of pleasure pulsed through my slit as he lapped up and down its length, and when I instructed him to flick his tongue over my clit my juices began to flow. At this point Vinnie lost all shyness and began to suck hard on my clit, his tongue licking up my pussy juice. Between sucks he greedily gulped it down.

It felt so good that I immediately grabbed hold of my nipples and began playing with them as I directed him on how to use his tongue and fingers to give me the most pleasure. He quickly got the idea and began manfully licking and frigging me to a massive orgasm. I writhed and gasped, coming hard as Vinnie continued to finger-fuck me so vigorously that in the end I had to beg him to stop.

I asked him in a teasing tone if he had ever fucked a woman up the bum before. His whole body tensed and he stared at me in disbelief, making me smile at his

"Spreading my labia I told him to lick my slit"

fessions!

innocence and vulnerability.
In the end we decided to start with my pussy, and work our way into some anal. I lay on my back so that he could fuck me missionary style, and was surprised at the force and rhythm that he built up in no time. My back arched and my pussy throbbed as he rode me vigorously towards another massive orgasm.
I begged him to stop for a second, went on all fours and handed him a bottle of lube. Vincent was almost over-excited, so I talked him through the delicate process of lubing me up. He was very nervous, but once he got behind and pushed his cockhead against my ring he forgot all that and got down to the job in hand. His shaft was fairly thick, and although it took a few slow yet firm thrusts to get his cock inside my arsehole, once there he inched the rest of the way in with no problems at all. I was very hot and I played with my clit while Vincent began to move slowly inside me.
With my breath coming in short harsh gasps I felt his wonderful young cock thrust deeper still and his balls slapping against the backs of my thighs. Harder and faster he plunged it, riding my tight rear entrance like the porn studs he seemed to be trying to emulate.
The friction of his cock pushing in and out of my anus as he fucked me hard from behind was all the stimulation I needed to come, but the incessant pleasant throbbing of my pussy as he shagged my arse was a bonus. He was gasping for air now, he was working so hard, but I still wanted to taste his jizz, so I urged him to pull out before he came and splash over my face.
I didn't have to ask twice.
Vinnie pulled out of my bum-hole and I turned in time to receive his full load right across my eyes, brow and cheeks. I almost purred as I felt his ejaculate dripping from my eye-lids, and I tried to catch what was left of his deliciously warm and creamy come on my tongue.
It was a day to remember for me, but I'm sure Vincent will also spend many hours masturbating whenever he remembers it.
Donna, Bridlington

True Conf

They say you know in the first ten seconds of meeting if you'll end up sleeping with them...

Recently, I put my hand into my coat pocket and found someone had slipped a note inside it. It said, "You're cute – call me if you dare." There was also a mobile number for me to ring. I didn't have a clue who'd put it there, or when, although the writing looked like a bloke's. After a couple of days of driving myself mental trying to work it out, I decided I'd text, telling them I'd be at my local at a certain time.

I dressed sexy but not tarty, in a little black velvet waistcoat worn as a top, and a skirt that was short without quite being a mini. But I went for all-out naughty with my bra and thong, plus blue hold-up stockings. Wearing lingerie makes me feel confident and horny, and I reckoned if things got steamy I'd want him to see me in my best undies.

"We spent the night sucking and fucking!"

I had to down a couple of vodkas to calm myself, but I was still looking at every bloke who walked in the door, wondering if it was him. At one point, I thought it must be this good-looking mixed-race guy who seemed to be eyeing me up, but if it was, he was playing it cool. Then a woman turned up and he gave her a big snog. I was so distracted watching this, that it came as a bit of a shock when another bloke – tall, with blue eyes and spiky blond hair, came up and introduced himself as Alex. He worked at a bar near my office, and had slipped the note into my coat when I'd been drinking there with some colleagues. They say you know if you'll sleep with someone within the first ten seconds of meeting them. So I won't bore you with any more date details– I'll just say we were back at mine three hours later, me wriggling about on Alex's lap while he groped his way up my skirt. I undid his trousers – finding out what I'll be fucking is always

fessions!

a thrill, and Alex's cock was no disappointment! I started to wank it, inching round to straddle him. He already had my knickers pulled to one side, so I just slipped his cock inside me. I circled my hips, tightening my pussy on the downstroke, then as he leant forward, I wrapped my legs around his back. He lifted me up and carried me over to an armchair, still inside me, laying me back on the seat so my arse was hanging off the edge. Then he started slamming into me, sinking in so deep his balls rubbed up against my arse.

I was frigging my clit and cumming all over the place – it only took about a minute between each orgasm. Alex could have cum at any time and left me satisfied, but he went on for ages. He was so horny – he'd just stare at my tits jiggling about as he fucked my cunt. Then he'd give me a little sly grin before banging into me like a steam hammer. Finally, he told me to give myself one last frig, and as my orgasm

kicked in he started cumming too, filling me brim-full of his warm spunk.

He sank down onto his knees, his cock still hard as it slipped out, followed by a stream of juices. He said something about not getting the chair wet – like I gave a flying fuck about that right then – and dived his head down to lick them out of my slit and crack.

I led him through to my bedroom, and we just spent the night fucking and sucking each other stupid. He knew so many dirty little tricks and sexy positions, like when he did me up the arse, sat back on his cock. He had me rub his balls against my slit, so hard I virtually slipped them up my hole. The hairs on them were rough and tickly, and had me howling in ecstasy!

I tried not to read too much into it, treating it like a one-night stand. But on my way to work on the Monday, I found a new note in my coat asking did I want to meet up again. I called him, and we've been fucking ever since. By the way, when I asked Alex why he hadn't just chatted me up, he said he likes to be a bit more original. Judging by the way he fucks, originality's never been a problem for him!

There's something about this MILF that makes our soft bits go hard. Maybe it's the way she couldn't wait to get her clothes off, flashing the neighbours before we could get her inside. "I'm 100 per cent up for this. I've always loved stripping for strangers!"

True Confessions

Cara's fiancé is happy for her to enjoy her last days of freedom with a couple of cocks...

When I got engaged, my mates bought me this really realistic-looking dildo as a joke present. I wound my fiancé, Simon, up by playing with it hand to hand and telling him I'd just made him redundant. He didn't take me seriously of course, and as expected he ended up in the bedroom with me and the sex toy.

Watching me suck on a length as I took his knob in my pussy really turned Simon on, and I was just as horny having two cocks to play with. I couldn't fight what I was thinking and, after about a month of lots of fucking around with Simon and my dildo, I asked what he thought about us bringing another bloke in for a threesome.

I thought he'd insist on another woman if anyone, but he liked the idea of seeing another bloke have a go at me.

A few weeks later, he gave me a call and told me to change into something sexy, and make myself look nice. He was bringing Mike, a bloke he knew from work around to ours for a few beers, and maybe more if I was up for it.

"As the cream spurted out of his tip, I aimed it at my boobs and face"

As the blokes sat on our sofa with their drinks, I leaned back in the armchair opposite. I hadn't bothered wearing knickers under my short skirt, and made it very obvious. I began stroking my legs, but before long I was openly frigging my pussy.

The boys soon joined in this wank-session, giving me the chance to take a good look at Mike's cock. He wasn't a big bloke, or a sex god, but his dick was as big as Simon's (although maybe a big more girthy) and there was just something about him. I pulled my dildo out from where I'd hidden it, under a cushion. I didn't use it inside myself, but played it over my slit.

"OK," said Simon, after a few minutes of this, in his subtle way. "Who you sucking and who you fucking?"

I shot him a sexy look and tottered over to Mike on my high heels. I knelt down and bowed my head. His shaft curved upwards while Simon's was straighter, and when I wrapped my lips around it he tasted saltier and muskier, too. Whatever, I couldn't get enough of it. I sucked it deep into my mouth, so it hit the back of my throat,

before pulling my lips back again. After repeating this a few times, I knew a good mouth-fucking was in order.

Simon didn't hang about to watch for too long. As soon as I hit my rhythm, slurping away on Mike's helmet, he got in behind me and slipped two fingers into my sopping twat. Realising I was already frothing and there was no need for foreplay, he aligned himself, and thrust his rigid rod violently inside me. His balls hit my clit as he banged away at my juicy cunt and I let him set the rhythm, and made a tight tube shape with my mouth and fingers, letting Simon's hard thrusts dictate my blowjob.

Simon was obviously more excited than he was letting on - it wasn't long before I felt his crotch shudder against my arse and a load of spunk shoot out inside me. But, the instant he slipped out, he jammed the dildo in my cunt and started fucking me with that instead. He used it hard in me, whipping and churning up my wetness, before pulling it out again.

"I rubbed the spunky dildo over my tits"

Slowly, I arched up, leading Mike a bit further forward. Simon handed me the dildo, coated with spunky juices, and I rubbed it all over my tits.

Mike wanted a bit of that for himself and grabbed the dildo from me, working it in and out of my mouth as he whacked his cock in between my breasts. I shoved them together around it, rubbing and massaging as he started fucking them.

It didn't take him long to reach the brink of cumming, and as the cream started to spurt out of his tip, I aimed it at my face and boobs, making as big a mess of myself as I could manage.

I actually think Simon was slightly shocked at how slutty I was being, as I smeared cum all over my cheeks with Mike's pumping prick.

Both of the lads were spent for now, but I'd only just got started. I grabbed the dildo off Mike and started fucking myself, giving them something to get them hard all over again. Simon started wanking almost immediately, and as I orgasmed, I saw Mike's hand stray to his dick too.

I just kept going all night, frigging myself into a frenzy, although I never had to go very long without having a real cock ready for me.

We've had a couple of sessions with Mike since then, and we've also talked about a threesome involving another woman. When that happens – and it will – I'll write and tell you all about it!

SARRAH

Sarrah has the biggest top cunts we've seen in a long time and her husband's mates dream about getting their dirty little hands on them. "They're always grabbing them when they come round, pissed up. My husband just lets them do it. He doesn't know I also let them fuck me down by the shed when he's gone to bed!"

True Conf

Being caught wanking doesn't always have to end in shame. As Tanya discovers...

I'm in my final year at college, and my boyfriend and I share a big, two-bedroom flat with my mate Kirsten and her bloke. When the lads have a boys' night out, Kirsten and I are usually glad to see the back of them – we get to be as girlie as we like.

Last month, it dawned on us we'd got really lazy and hadn't been out clubbing since Christmas. We decided we'd do it, and to celebrate I bought a new black dress and high heeled boots.

While Kirsten was in the shower, I tarted myself up in her full-length mirror, and liked what I saw. My dress was so tight and clingy, I had to wear a G-string underneath it. The mirror was angled, leant up against a wall, and when I shoved my hips forward I could see right up my skirt. Giggling to myself and feeling excited about the night ahead, I had a little fumble, stroking my pubes gently through the little silky triangle.

I suddenly noticed Kirsten in the doorway and blushed scarlet. There was a really awkward moment, then she stammered, "D-don't stop. You look... fantastic. Really sexy."

"Juice gushed from her hole as I licked her twat"

She let her bathrobe fall open and started groping her own tits. It all felt just a bit too weird, but I was getting little tingles in my pussy. I pulled my G-string to one side and started probing my slit with a finger. When it was coated with my cream, I pulled it out and took a lick.

Kirsten had one hand in between her legs now, and I asked her had she ever been with another girl. She shook her head and I said, "Me neither..." Then we just turned and looked at the bed.

Two minutes later we were under the sheets. It still felt weird – she was my mate as well as a girl, but once we'd got used to the idea, we just went with it.

Kirsten took the lead, kissing her way down from my mouth to my tits. My nipples went hard and tingly under her fingers and tongue, then her hands were everywhere, caressing my arse and hips, and smoothing my inner thighs apart. One last suck on my nipples, like she was psyching herself up, then she licked a trail down over my belly to my crotch.

Getting head from Kirsten felt so different to when my boyfriend went down. Her tongue was flitting over my clitoris like a butterfly, teasing rather than rasping me to excitement. Every time she paused

fessions!

"She begged for a fuck"

for breath, I'd yell at her not to stop. Her fingers came into play too, inching into my hole to stroke my G-spot.

"Oh fuck!" I moaned as my orgasm started to hit – the most incredible tightness in my pussy, followed by explosive rippling. I spread my legs wide as Kirsten lapped up my wetness. Her fingers found my clit as her tongue rammed up my hole, then flitted down to my arse crack to catch every stray drop of pussy juice.

She wasn't going to let me rest until she'd cum too. She grabbed my hand and pulled it in between her legs, and all my nerves vanished. I'd worried I wouldn't be able to bring her off, but it was easy. She used her hand to rub mine against her clit, just the way she liked it, and soon she was grinding hard on it.

She still wasn't finished. She begged me to lick her, and so I sat over her face as I buried my own between her legs. I used my lips and tongue to tease her clit out into the open, then sucked and lapped until her body was shivering and she sobbed in ecstasy.

Even when she came, the juices gushing out of her hole, she wanted me to carry on licking her. She was thrashing around but I hung onto her arse, steadying her to give her what she wanted. My own clit was starting to pulse again, but all it took was one gentle rub to get me off.

We stayed in bed as long as we dared, before putting on our trackies and going downstairs to wait for our blokes. When they got back, we told them we'd decided to give the clubbing a miss after all. It didn't occur to them that we'd been up to anything, although mine mentioned how juicy my pussy felt around his prick when we fucked later…

LUCKY FUCKER!
LAURA & SEAN

After breaking up with my fiancé a few months ago, I decided that I'd moped enough and it was time to get out there and take life by the reins again.

That morning, I woke up optimistic and happy as in a matter of hours I would be in my favourite city, New York. I worked as an air hostess and was preparing for a long-haul shift to America, but for a treat I had decided to stay on for a few days, for a well-earned break.

As I was getting ready, I caught my refection and thought how good I looked in my notoriously bright coloured uniform. Virgin, I was not! Turning around to admire my own arse in my tight, figure-hugging skirt, it finally dawned on me that there are plenty more men in the sea and it was a crime to keep my sexy body – all 5'8" inches of it – just to myself.

Tying my long blonde hair up in a bun and applying my bright red lipstick, I was ready for the big flight to NYC. Walking into work, I felt super-sexy with my new found confidence. I was hot, hot, hot!

After take-off, I paced the aisles handing out the usual freebies to keep the passengers happy, when I saw him sitting a few rows up. My heart dropped straight in to my black lace panties. It was my ex before my ex, Sean.

There he was, all 6'1" of him, looking as hot and fuckable as always. Looking up, he caught my eye and I knew he was as pleased to see me as I was him. Pouting my blood-red lips and working my walk (as best as a girl can in a packed plane), I finally got to him.

"So, you became the air hostess after all?" he said, smiling through his sexy white teeth. "You always said you would."

I hadn't seen Sean since I was 19 and at college. As I looked at him, I got flashback of us, rolling around naked together. It was the best sex

"I had visions of his milky cum trickling over my nipples"

of my life and we would go at it like rabbits – at any opportunity and anywhere.

Visions of his hands gripping my thighs as he licked my pussy raced through my head. His perfectly formed cock running over my breasts, his milky cum trickling over my hard nipples and the memory of him inside me was all too much. I could feel my pussy throbbing, begging to be

visit www.paulraymond.com

wrapped around him again. I managed to blurt out that he was looking fantastic, before quickly moving on up the aisles.

As soon as I was able to grab a moment, I escaped to the staff toilet and allowed myself to grin from ear to ear. He had no wedding ring, so I figured that he was mine for the taking. I couldn't resist my hands creeping down my skirt, skimming my silky wet pussy lips, but forced myself to stop, that I should be working.

I obviously had to keep passing Sean, offering blankets, food and drinks, but it was when he asked if we did cocktails, notably a Screaming Orgasm, that I knew we were on.

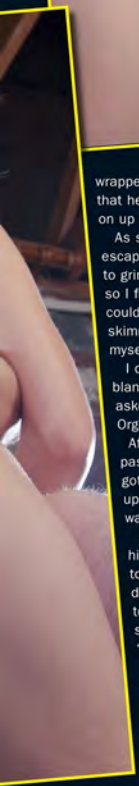
After the lights were dimmed and the passengers had gradually fallen asleep or gotten engrossed in a movie, I slowly moved up the plane aisle, knowing full well that he was watching me.

As I went to pass his seat, he held out his hand and gently took my wrist. His touch was just as I recalled, soft but most definitely in charge. Bending down to talk to him, I was fully aware that I was also showing him a good eyeful of cleavage.

"Excuse me miss," he whispered.

"Yes sir?" I whispered back, bending in towards him.

"Can you please give me a hand?" he grinned cheekily, as he lifted up his blanket. And there it was – his perfect eight inch cock.



"Certainly sir, if you would like to follow me." I straightened up, and slowly moved off to the back of the plane. I had already mentioned my situation to my colleague, so she knew she wasn't wanted as soon as she saw who I had in tow! She quickly moved away, pulling the curtains as she went, leaving us alone. Sean immediately pushed into me, slamming his body into

mine, his wet hard tongue slipping violently between my lips. I felt his hard cock grinding into my crotch, and I couldn't help but grind back.

"Fuck me," he groaned. "Fuck me now!"

I took his smooth cock in my hand, as he loosened my long hair. His hands gripped my breasts as if the last 10 years had never passed.

I had no time to think about what we were doing as I pulled my knickers to one side and guided his cock inside my desperate pussy.

Stuffing his tie in my mouth to muffle my moans, he pounded me hard against the trolley. The cold metal stung my arse as he pounded deep inside me.

"Cum inside me!" I cried, muffled through his

tie. I knew I was going to cum any moment and tried my hardest not to scream out loud. His cock was pressing against my G-spot and he bit down on my nipples as my body started to shudder with the pleasure of my impending orgasm.

My pussy exploded over him. I could feel my juice dripping down my legs, and his big round hairy balls bashing against my pussy as he carried on fucking me hard.

He spun me round, hitching my skirt up around my hips and with a few powerful thrusts, shot his hot spunk up my pussy, filling me to the brim.

"That was amazing," Sean panted, as we quickly cleaned up. "Just as good as I remember."

As we straightened ourselves up, I noticed Sean's cum all down my skirt. He worried he'd get in me to trouble.

"Don't worry," I smiled, "Yogurt spillages are quite common at 35,000 feet!"

As I finished the flight, I suddenly realised two things: why people fantasise about joining 'the mile high club', but also just how much fun I was going to have with my new found freedom!
